Subject: Strategic Plan - Comments to me by COB Wed 1/27
Attachments: Jan 2016 LND Comments - Strat Plan DRAFT for review BK.docx
Flag: Follow up

Hello all,

The R9 Strategic Plan is back for one more review prior to being finalized (i.e., published on the web). Please let me know if you have any questions or comments by COB next Wednesday (1/27). I've attached a copy with comments/questions from me (in blue text), and colored highlights by branch (green = P2; blue = communities; yellow = RCRA). LND's sections start on p.15. I don't have many comments--Fatima and Bill Keener accurately incorporated most of our previous suggestions.

Please let me know if you'd like to sit down and review the highlights and changes for your section/branch, or if you have any questions. Thanks so much for your help!

Subject: Strategic Plan FW: latest draft

Hi Christie – Attached is the latest version. I accepted many of the changes you made. The latest edits reflect those made in response to feedback from OPA. Please take a look and make any additional changes.

Also, Alexis and Jared would like to extend the Strategic Plan to include 2017. If there are additional items that should be included, please add those.

Please send me your latest edits next week. If you need more time, let me know.

Thank you,
Fatima

Subject: latest draft

Hi Bill – I'm still at home with my sick daughter, but I wanted to send you the latest draft of the strategic plan. I'm still waiting to hear back from Michelle/Serena on the last section and Deldi on a couple of bullets in the SJV section. Note that I left the track changes on to make it easier to review.
